Q: What is an "Emblem Use Authorization Statement"?

A: When a vehicle owner wants to obtain a specialty license plate from the Missouri Department of Revenue, the application must include an original Emblem Use Authorization Statement issued by the organization shown on the specialty license plate. A copy is not acceptable.

An Emblem Use Authorization Statement is provided to the vehicle owner after he/she makes the designated minimum contribution to the organization for that purpose. An Emblem Use Authorization Statement may be obtained for a one year or a biennial registration.

This process must be repeated every time the specialty license plate registration is renewed.

Instructions

1. Purchase an Emblem Usage Authorization Statement form from the Ozark Trails Council, BSA. Cost is a minimum donation of $25.00 per year that benefits Ozark Trails Council, BSA Friends of Scouting fund.

2. Take the approved emblem usage form along with a copy of the paid receipt to your local DMV contract office when you renew your Missouri License Plate. Ask for a State form number 1716 to request your personalized plate. Fill out the 1716 form per its instructions. Mark which specialty plate you are purchasing – Eagle Scout or Order of the Arrow.

3. Write in your choices for your personalized license plate in Step 4 of the 1716 form. It is strongly suggested that you list multiple choices. Choices are compared against a State-wide database—if the plate configuration is in use *anywhere* in Missouri your application will be denied.

4. Pay the State of Missouri Personalized Plate fee of $15.00 per year.

5. Wait for your DMV contract office to contact you to pick up your plate….
