# Centennial Tree Planting

## Ozark Trails Council

### April 23-May 1, 2010

From April 23-May 1, 2010 the Ozark Trails Council will partner with the Missouri Department of Conservation Forestry Program to help celebrate Earth Action Day (April 22) and National Arbor Day (April 30). Each Scout unit in the Council will have to opportunity to plant 100 trees provided by the Forestry Program. Each scout will receive help to match the right tree to the planting location and learn how to care for the trees. Within the 31 counties in our Council we have the opportunity to plant 40,00 trees! Help celebrate the 100th Anniversary and give back to your community!
