

100 Year Anniversary of Scouting with the Springfield Cardinals

The Springfield Cardinals, the AA farm team of the St. Louis Cardinals, will help the Ozark Trails Council celebrate the 100th Anniversary of the Boy Scouts of America at the team's game on Sunday, Aug. 15, 2010. Scouts and Scouters in full uniforms will be able to participate in a pre-game parade on the field and each unit will be able to take a unit photo with the team's mascot, Louie. The council's seats in an outfield field box section are \$7 each and each person buying a ticket in the council's section will receive a special commemorative item. We also will have a Scout Band playing before the game and will honor the council's first 10 Trail of Honor inductees. One of our own Scouters will throw out the honorary first pitch.

The game will be on Sunday, August 15th. The game will begin at 2:10 PM.

Be at Hammons Field by 1:30pm

**Please pick up tickets at the Boy Scout table at the front entrance.*

**Bring your Troop/Pack flags to use in the parade.*
