NYLT National Youth Leader Training

Ozark Trails Council

June 6 - 11, 2010

Camp Childress

What is NYLT?

National Youth Leadership Training is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others.

The NYLT course centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

Built on the legacy of past JLT successes, the new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

WHO SHOULD ATTEND?

Youth leaders and future youth leaders should attend. It is encouraged that everyone First Class and above attend.

WHAT DOES NYLT OFFER?
